This pardon, it is unthe community as it had never been attributed to insane jealousy. He was convicted and sentenced to life imprisonment. Of rather frail physique, it was thought that Campbell would be nnable to stand the hardships of a convict camp, but his ability as an expert accountant removed him soon from the phosphate mines and placed him in a longed his life. About a year ago he was removed to the State insane asylum a physical and mental wreck. The pardon may not benefit him much, as

J. W. Fowler, a young farmer living three miles north of Clayno, was helping Wiley Kelly, who lives in the same neighborhood, to butcher some hogs one day last week. Fowler had gone after a shoulder load of pine tops for spreading the salted meat on and threw the tops on the ground, then went after another load. In the meantime a large and rather cross dog owned by Mr. Kelley laid down on the pine tops, and when Mr. Fowler returned with his next load he did not notice the dog, which was partly hidden in his bed, but threw the tops on the dog. The animal took exception to being thus disturbed and viciously grabbed Mr. Fowler's left l leg and held on to it until he could be erald lays claim to having the beaten off. In examining the finjury ter in the State for his age. it was found that the skin was not son, who performs typograph- broken enough to bleed, only bruised, for this office, is just 12 years and Mr. Fowler went on with his work. at he can perform feats that But during the following night the leg those of many printers swelled up and the injured part turned cas his age.
